## Campground Tips

- Be sure matches are extinguished. Break them in half before discarding.
- Build no fires except in a designated firepit or use a camp stove. Before leaving make sure your fire is completely out.
- Be careful with your cigarettes, cigars and pipe ashes. Crush them thoroughly before discarding. Never toss them from a vehicle.
- Please! Do not litter.
- Be sensitive to wildlife. Bears can be dangerous and should not be fed. Food must be stored away from your campsite, preferably in a locked vehicle, to avoid attracting hungry animals. Do not store food in your tent.
- Warm clothing is needed for cool nights.
- The use of insect repellent will add to your comfort.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- In case of injury or illness contact a Campground Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Canoeists and hikers travelling in backcountry areas should advise a friend of their intended destination and anticipated length of trip.
- Backcountry camping is only allowed at designated campsites.
- It is illegal to use or transport elm firewood.

## Duck Mountain

- Located beside a picturesque peninsula

Come to the campground with one of the clearest lakes in Manitoba - Blue Lake Campground in Duck Mountain Provincial Park. Relax on the sandy beach or take a dip in East Blue Lake on a warm day. The incredible water clarity combined with a lake depth of approximately 60 meters, makes Blue Lake a popular destination for scuba diving. Anglers also enjoy the challenge of fishing the lake for record-breaking Splake, and Rainbow Trout. West Blue Lake has a motor restriction ideal for canoeing on the clear lake. A boat dock and launch are available near the campground with boat rentals available.

The campground is located beside a picturesque peninsula that juts into West Blue Lake. Take a 1.1 kilometer journey on the Blue Lake's Shining Stone self-guiding trail or escape into nature on a

hike over rolling hills and occasional steep slopes. Duck Mountain contains rolling terrains and woodlands. It is home to Baldy Mountain, Manitoba's highest elevation at 832 meters above sea level.

Activities are plentiful when staying at Blue Lake. Enjoy a day playing volleyball or bring your ATV to take a ride around the area on the ATC specific trail. The kids will take pleasure at the playground. Whether you enjoy relaxing on the beach or experiencing new activities Blue Lake campground guarantees something for everyone!
